Mr. Randy Reeg
City Administrator
300 W. Prospect St.
Thorp, WI 54771

Dear Mr. Reeg:

As an employer in Thorp, WI I am writing to inform you that from time-to-time, employees have mentioned that the railroad crossing on Cemetery Road is in need of repair and is hard on their vehicles. In addition, common carriers that service our plant have also mentioned that this railroad crossing is hard on their equipment and that the railroad crossing is in need of repair.

Therefore, would you look into what can be done to improve the condition of this railroad crossing?

I thank you in advance for your cooperation.

Sincerely,
